Dear colleagues and friends,

It is with great pleasure that I invite you to the next Frankfurt Retina Meeting, March 14th - 15th, 2020. As usual the meeting will include live surgery, presentations, panel discussions and videos from invited guests and participants.

As location for the Frankfurt Retina Meeting 2020 we have again chosen the large Congress Hall of the Congress Centrum Mainz. Due to the great success in 2018 parts of the live surgery will again be transmitted to the auditorium in 3D technology. To reach the Congress Centrum Mainz it takes approx. 20 minutes from the Frankfurt Rhein-Main Airport or Frankfurt Central Railway Station.

We look forward to welcoming you at the Frankfurt Retina Meeting 2020.
